Julie Long:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
