**Beyond the Blue Event Horizon** By Frederik Pohl

This sequel to *Gateway* is a marvel, a farr of wonder and mystery, of zany encounters and strange space artifacts of the mysaterious Heechee. Some mysteries are solved, but they lead only to furtherb puzzlers. I love the character of Janine, and how she's the only capable to glean informations out of the enigmatic Wan. A book I recommend, narrated with the wry Pohl's humour.
