### Survivor (Alone #2) By James Phelan

At the end of the world, it's hard to trust anyone--even yourself.

Jesse and a ragged band of survivors crawl through the wreckage of New York City. They escaped the Chasers--for now. But the infected zombie freaks are getting bolder, stronger. So when they begin to see signs of human life, they can't believe their luck. Now they're the chasers, looking for someone to tell them the worst vacation ever is over. Of course, luck can be good and bad. And the enemy could be closer than your reflection in the mirror. . .
