## The Landmark Thucydides: A Comprehensive Guide to the Peloponnesian War By Thucydides

Thucydides called his account of two decades of war between Athens and Sparta “a possession for all time,” and indeed it is the first and still most famous work in the Western historical tradition. Considered essential reading for generals, statesmen, and liberally educated citizens for more than 2,000 years, *The Peloponnesian War* is a mine of military, moral, political, and philosophical wisdom.

Thucydides called his account of two decades of war between Athens and Sparta “a possession for all time,” and indeed it is the first and still most famous work in the Western historical tradition. Considered essential reading for generals, statesmen, and liberally educated citizens for more than 2,000 years, *The Peloponnesian War* is a mine of military, moral, political, and philosophical wisdom.

However, this classic book has long presented obstacles to the uninitiated reader. Robert Strassler's new edition removes these obstacles by providing a new coherence to the narrative overall, and by effectively reconstructing the lost cultural context that Thucydides shared with his original audience. Based on the venerable Richard Crawley translation, updated and revised for modern readers. *The Landmark Thucydides* includes a vast array of superbly designed and presented maps, brief informative appendices by outstanding classical scholars on subjects of special relevance to the text, explanatory marginal notes on each page, an index of unprecedented subtlety, and numerous other useful features.

In any list of the Great Books of Western Civilization, *The Peloponnesian War* stands near the top. This authoritative new edition will ensure that its greatness is appreciated by future generations.

### Editorial Review

#### Amazon.com Review

Thucydides' *History of the Peloponnesian War* is one of the great books in the Western tradition, as well as its first true historical narrative. Editor Robert Strassler has annotated this classic text to make it more accessible to modern readers and added dozens of maps for easy reference. A helpful introduction places Thucydides in proper historical context and a series of short appendices focus on particular aspects of life and war during the period. But the bulk of the book itself, where Thucydides chronicles the long struggle between Athens and Sparta, enjoys an unexpected freshness on these pages--partly due to Strassler's magnificent editorial labors, but mostly because it's a great story resonant with heroes, villains, bravery, desperation, and tragedy. Every library should have a copy of Thucydides in it, especially libraries on military history, and *The Landmark Thucydides* is without question the best version available.

#### From Library Journal

Strassler, an unaffiliated scholar of classical studies, has remedied many of the flaws of Richard Crawley's 1874 translation of *The Peloponnesian War*. He has added descriptive paragraph-by-paragraph synopses, topic headers on every page, numerous maps keyed to the adjoining text, explanatory footnotes, an extensive index, an excellent introduction by Victor Davis Hanson (California State Univ.), and 11 appendixes (by various scholars) on politics, warfare, and society in the Greece of the fifth century B.C.E. What the editor has done he has done well, creating a valuable basic reference for students of ancient history. His work has only two flaws: it lacks a substantial bibliography, having only a two-page "concise" one; and the price will put it out of reach of many institutions. For academic libraries and others with large history collections. ?James F. DeRoche, Alexandria, Va.

#### Review

David Denby *Los Angeles Times* A magnificent edition of the great historian's *The Peloponnesian War*.

Donald Kagan author of *On the Origins of War* and *Pericles of Athens* This is the best book with which to start study of Thucydides and the Peloponnesian War.

Paul A. Rahne *The Washington Times* Without question, this is the finest edition of Thucydides history ever produced; It is a treasure.

*The Boston Globe* Thoroughly readable....Anyone interested in the culture of conflict -- political as well as military, contemporary as well as ancient -- can learn much from this durable work.

### Users Review

#### From reader reviews:

##### James Kline:

Nowadays reading books become more than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that improve your knowledge and information. The details you get based on what kind of e-book you

read, if you want drive more knowledge just go with knowledge books but if you want experience happy read one having theme for entertaining including comic or novel. Often the The Landmark Thucydides: A Comprehensive Guide to the Peloponnesian War is kind of guide which is giving the reader unpredictable experience.

### **Myron Mendez:**

The reason? Because this The Landmark Thucydides: A Comprehensive Guide to the Peloponnesian War is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

### **Rachel Wessels:**

Beside that The Landmark Thucydides: A Comprehensive Guide to the Peloponnesian War in your phone, it can give you a way to get more close to the new knowledge or facts. The information and the knowledge you may got here is fresh from the oven so don't possibly be worry if you feel like an outdated people live in narrow small town. It is good thing to have The Landmark Thucydides: A Comprehensive Guide to the Peloponnesian War because this book offers to you personally readable information. Do you oftentimes have book but you do not get what it's exactly about. Oh come on, that will not end up to happen if you have this in your hand. The Enjoyable option here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss the item? Find this book along with read it from currently!

### **Rachel Morris:**

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Landmark Thucydides: A Comprehensive Guide to the Peloponnesian War can make you really feel more interested to read.
