## Unimaginable Atrocities: Justice, Politics, and Rights at the War Crimes Tribunals By William Schabas

As international criminal courts and tribunals have proliferated and international criminal law is increasingly seen as a key tool for bringing the world's worst perpetrators to account, the controversies surrounding the international trials of war criminals have grown. War crimes tribunals have to deal with accusations of victors' justice, bad prosecutorial policy and case management, and of jeopardizing fragile peace in post-conflict situations. In this exceptional book, one of the leading writers in the field of international criminal law explores these controversial issues in a manner that is accessible both to lawyers and to general readers.

Professor William Schabas begins by considering the discipline of international criminal law, outlining the differing approaches to the description of international crimes and examining the frequent claims relating to the retroactive application of these crimes. The book then discusses the relationship between genocide and crimes against humanity, studying the fascination with what Schabas calls the 'genocide mystique'. International criminal tribunals have often been stigmatized as an exercise in victors' justice. This book traces how this critique developed and the difficulty it poses to the identification of situations for prosecution by the International Criminal Court. The claim that amnesty for international crimes is prohibited by international law is challenged, with a more nuanced approach to the relationship between justice and peace being proposed. Throughout the book there is a strong historical perspective, with constant reference to the early experiments in international justice at Nuremberg and Tokyo. The work also analyses the growing pains of the International Criminal Court as it enters its second decade.

### Editorial Review

#### Review

'In Unimaginable Atrocities, Schabas has produced perhaps his greatest work in a prodigious collection of extraordinary contributions to the field... Schabas has long contributed to the development of effective world law. He has taken on the task and made it his own, standing shoulder to shoulder with the likes of Cherif Bassiouni, Antonio Cassese, Hans Corell, Michael Scharf and David Scheffer. His text is plainly intended to appeal to and inform, not only academics, but also those with less direct expertise in the field. This is not to suggest that it is somehow written at an introductory level, or that it can be passed over by those more familiar with the issues addressed in the book. Rather, it seeks to expand the audience, educating those interested in creating a safer and more tolerant world on key components within the field of international criminal law, while providing substantive arguments for discussion among academic circles.'

Matthew Kane, International Affairs 89

'Insightfully explain[s] the conceptual foundations and prospective paths for an international criminal judiciary. Schabas' book reveals once more that international criminal law is shaped by a complex relationship of policy and law, which unfortunately can only partly prevent war crimes while influencing how humanity confronts unimaginable atrocities.'

Martin Wahlsch, ASIL Cables

#### From reader reviews:

#### Micheal Moore:

What do you regarding book? It is not important along with you? Or just adding material when you really need something to explain what you problem? How about your time? Or are you busy person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. They need to answer that question since just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this specific Unimaginable Atrocities: Justice, Politics, and Rights at the War Crimes Tribunals to read.

**Melvin Loch:**

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their spare time with their family, or all their friends. Usually they carrying out activity like watching television, likely to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could possibly be reading a book may be option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of guide that you should read. If you want to test look for book, may be the reserve untitled Unimaginable Atrocities: Justice, Politics, and Rights at the War Crimes Tribunals can be very good book to read. May be it could be best activity to you.

**Francis Pilkington:**

A lot of people always spent their own free time to vacation as well as go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity that is look different you can read a book. It is really fun for yourself. If you enjoy the book you read you can spent the entire day to reading a e-book. The book Unimaginable Atrocities: Justice, Politics, and Rights at the War Crimes Tribunals it doesn't matter what good to read. There are a lot of people that recommended this book. They were enjoying reading this book. In case you did not have enough space to bring this book you can buy the particular e-book. You can m0ore very easily to read this book from a smart phone. The price is not too expensive but this book offers high quality.

**Julie Gibson:**

The reason? Because this Unimaginable Atrocities: Justice, Politics, and Rights at the War Crimes Tribunals is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of benefits than the other book possess such as help improving your expertise and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the publication store hurriedly.
