**Volume 17: Content Management (Vol 17)** By Arjen Oosterman, Ole Bouman, Rem Koolhaas, Mark Wigley, Jeffrey Inaba

Volume is an independent magazine that sets the agenda for architecture and design. With going beyond architecture's definition of 'making buildings' it reaches out for global views on designing environments, advocates broader attitudes to social structures, and reclaims the cultural and political significance of architecture. Created as a global idea platform to voice architecture any way, anywhere, anytime, it represents the expansion of architectural territories and the new mandate for design.
