### **Wealth of Selves: Multiple Identities, Mestiza Consciousness, and the Subject of Politics (Rio Grande/Río Bravo: Borderlands Culture and Traditions) By Edwina Barvosa**

Many of us have multiple identities, says Edwina Barvosa. We may view ourselves according to ethnicity, marital or family roles, political affiliation, sexuality, or any of several other “identities” we may use to organize our behavior and self-understanding at any given time. Various domains have offered nuggets of insight regarding the characteristics and political implications of seeing the self as made up of multiple identities, but many questions remain.

In *Wealth of Selves*, Edwina Barvosa constructs an ambitious interdisciplinary blend of these insights and crafts them into an overarching theoretical framework for understanding multiple identities in terms of intersectionality, identity contradiction, and the political potential that lies within the practices of self-integration.

Grounded in Gloria Anzaldúa’s concept of mestiza consciousness as well as in Western political thought, this reconsideration of the self promises to reshape our thinking on issues such as immigrant incorporation, national identity, political participation, the socially constructed sources of will and political critique, and the longevity of racial and gender conflicts.

With its accessible style and rich cross-pollination among disciplines, *Wealth of Selves* will reward readers in political science, philosophy, race, ethnic, and American studies, as well as in borderlands, sexuality, and gender studies.

### **Editorial Review**

#### **Review**

The book fills a critical need: a serious unpacking of what has established unified identities as normative and what a decentered multiple identity theory contributes to current thinking and political life...this is a work of remarkable scholarship...a substantial contribution to the field of Latino Studies and to Cultural Studies.--Dr. Norma E. Cantú, University of Texas at San Antonio  
(Dr. Norma E. Cantú, University of Texas at San Antonio)

"Barvosa presents a wise and enlightened approach...this is an important book and its arguments help reassess [one's] own practices of changing self presentation."--*Signs: Journal of Women in Culture and Society*

(Linda Martin Alcoff *Signs: Journal of Women in Culture and Society* 2010-06-23)

#### **About the Author**

May be it may be best activity to you.

#### **Nancy Royals:**

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Wealth of Selves: Multiple Identities, Mestiza Consciousness, and the Subject of Politics (Rio Grande/Río Bravo: Borderlands Culture and Traditions) can make you experience more interested to read.
