### "Goodnight Malaysian 370": The Truth Behind The Loss of Flight 370 By Mr Ewan Wilson

The unbelievable facts behind the loss of Flight 370 will shock the travelling public. The book by New Zealand pilot Ewan Wilson and journalist Geoff Taylor presents compelling evidence about what actually occurred in the final hours of Flight 370, based on new analysis and new interviews with pilot Zaharie Ahmad Shah's family. The disappearance of Malaysia Airlines Flight 370 captured the world's attention and shocked everyone. The book takes you to Kuala Lumpur International Airport on March 8 and brings together the lives of passengers and crew who ultimately met their fate on board what should have been a routine flight to Beijing on a well respected airline operating a state-of-the-art airliner with a near faultless record. For the first time, the book presents a detailed analysis of the flight, the incredible route it took, and who the authors believe was in charge of the aircraft as it plunged into the Indian Ocean. The book investigates each piece of evidence and eliminates all the possible scenarios until the reader is left with one shocking and unbelievable conclusion as to what happened to end the lives of 239 people that night. The authors also look at the most recent 777 tragedy MH17. They analyse how it occurred, the implications of the horrific event on future air travel and whether Malaysia Airlines can survive. The authors Geoff Taylor is a highly respected career journalist who is now deputy editor of the Waikato Times newspaper, one of New Zealand's leading daily papers. Ewan Wilson is a commercial pilot, former chief executive of Kiwi International Airlines and Norfolk Air and has qualifications as a transport safety investigator. Goodnight Malaysia 370 is Wilson's third book. He has also written Help My Plane's on Fire while his first book Dogfight became a New Zealand best seller.
