## **Editorial Review**

### **Review**

"This volume of familiar myths is both readable and attractive. . . . The author provides a happy introduction to classical mythology." New York Times Book Review Notable Book

"Offers a new and different approach to the old stories which may be of interest both to young readers and to students of legends." Chicago Tribune Editor's Choice

### **About the Author**

Olivia Coolidge was born in London, England, in 1908. She received her education at Somerville College, Oxford University, where her main subjects included Latin, Greek, and philosophy. These studies helped her earn her place in the pantheon on children's literature through her mythological retellings demonstrating careful research and the adroit capacity to bring the past to life.

## **Users Review**

### **From reader reviews:**

#### **John Thornton:**

Book is to be different for every single grade. Book for children till adult are different content. We all know that that book is very important for us.
