## Literature and Its Writers: A Compact Introduction to Fiction, Poetry, and Drama By Ann Charters, Samuel Charters

Literature is a conversation -- between writers and other writers, and writers and readers. In their introduction to literature anthology, Ann Charters, editor of the bestselling *The Story and Its Writer*, and Samuel Charters, a much-published poet and novelist, bring students into this conversation through a distinctive set of features, including an abundance of writer commentaries that model how to read and write about literature (and a minimum of intrusive editorial apparatus that may constrain how to think about it). In the fourth edition of *Literature and Its Writers*, Ann and Samuel Charters open the conversation even further, by expanding the range of writers they include and presenting innovative new kinds of conversations about literature for students to enter.
