Editorial Review

Review

"The Man In The Queue is as fresh and original as ever, 85 years on. Never one to tie herself to genre conventions, Tey builds on character and circumstances to create an enthralling cat-and-mouse hunt." Daily Mail "Inspector Alan Grant, my favourite detective of all time, painstakingly, fascinatingly identifies the body then chases suspects up to the Highlands of Scotland and all around the town." Daily Express

About the Author

Robert Barnard (1936-2013) was awarded the Malice Domestic Award for Lifetime Achievement and the Nero Wolfe Award, as well as the Agatha and Macavity awards. An eight-time Edgar nominee, he was a member of Britain's distinguished Detection Club, and, in May 2003, he received the Cartier Diamond Dagger Award for lifetime achievement in mystery writing. His most recent novel, *Charitable Body*, was published by Scribner in 2012.

Josephine Tey began writing full-time after the successful publication of her first novel, *The Man in the Queue* (1929), which introduced Inspector Grant of Scotland Yard. She died in 1952, leaving her entire estate to the National Trust.

Tey's sly story about a man who's stabbed and dies unnoticed in a London theater queue is a pleasurable archaic blend of the high and low in British decorum. Read in immaculate British by Stephen Thorne, Tey's puzzle, examined and solved by the penetrating Inspector Grant, is just the sort of guilty pleasure to seek out after a grumpy week, an unexpected repair charge, a layoff. Set in the early 1950s, the time and setting, attitudes and prejudices, the very nature of the crime and its detection, couldn't be more soothingly remote from our own. Inspector Grant and his author were overshadowed by the famous historical puzzle they investigated in Audio Partners' first Tey release, *The Daughter of Time*. Here the subtle intelligence of detective and author is more on display. Sounding as if he might have recorded this in 1953, Thorne proves to be the perfect reader.
