

Por qué fracasan los países (Spanish Edition)

By Daron Acemoglu, James A. Robinson

Por qué fracasan los países (Spanish Edition) By Daron Acemoglu, James A. Robinson

¿Qué determina que un país sea rico o pobre? ¿Cómo se explica que, en condiciones similares, en algunos países haya hambrunas y en otros no? ¿Qué papel tiene la política en estas cuestiones? Que algunas naciones sean más prósperas que otras, ¿se debe a cuestiones culturales?, ¿a los efectos de la climatología?, ¿a su ubicación geográfica? No, en absoluto. Ninguna cuestión relativa a la prosperidad de un país está relacionada con estos factores, sino que proviene de otro mucho más tangible: la política económica que dictaminan sus dirigentes. Son los líderes de cada país, afirman los reconocidos profesores Daron Acemoglu y James A. Robinson en este libro, quienes determinan con sus políticas la prosperidad de su territorio, y así ha ocurrido en todos los períodos de la historia, como demuestran en este apasionante estudio.
