Editorial Review

From the Publisher

Useful as a supplement to the handbook or as a primary text for basic writing courses, the S & S Workbook for Writers offers instruction and exercises on topics from punctuation to planning an essay. The Workbook's organization parallels that of the handbook, making it easy to use the books in concert.

From the Back Cover

Key Benefit: This is a handy reference that covers the entire writing process and treats all aspects of grammar, punctuation, and style. **Key Topics:** Includes new material for students whom English is a second language; expands coverage on research writing; offers three new full-length student paper on fiction, drama and poetry; features an essay evolving from assignment through planning, shaping, and writing of three drafts; expands coverage of technologically advanced systems in college libraries. **Market:** Perfect for composition courses and all other writing courses across the curriculum.
