Sten (STEN Adventure #1) By Allan Cole, Chris Bunch

A Tale Of Revenge

Vulcan was a factory planet, centuries old, Company run, ugly as sin, and unfeeling as death.

Vulcan bred just two types of native -- complacent or tough...and Sten was tough.

When his family died in a mysterious "accident," Sten rebelled, harassing the Company from the metal world's endless mazelike warrens.

Sten would have ended up just another burnt-out Delinquent if he hadn't rescued a mysterious stranger who turned out to be his ticket off Vulcan -- and an express ride back!

Editorial Review

From the Publisher

I originally got to know Allan Cole and Chris Bunch from answering their editor's phone. That was when they'd leave messages saying things like: "Where's our money? We know where your wife works and where your kid goes to school." They'd throw in some unprintables, which I dutifully took down verbatim. So I guess I was all prepared to take over as their editor on the Sten books eventually. I never expected to have an AK-47 shoved in my hands and a camera flashed in my face...but hey, that's what we editors will do for authors we like! Now all eight Sten books are on my shelves, and the photo is on my refrigerator...though I haven't yet tried one of the recipes in the books...
