The Lady, Her Lover, and Her Lord By T. D. Jakes

In his million-copy bestseller, *Woman, Thou Art Loosed!*, Bishop T. D. Jakes showed women how to heal the wounds of the past and to forge forward into their futures. Now, he has written his most urgent book yet, a progressive next step and the book millions of women have been waiting for. In this stirring call to healing and empowerment, Jakes shows us how society demands girls and women to be perfect, to be sweet, to be sexy, to be submissive, to be pristine, to be anything and everything but the one thing God wants them to be--real. He argues that females are often subjected to verbal, physical, and emotional abuse, which they then carry around in their minds and their hearts, causing them to feel like they have no place to go and no worth of their own. But Bishop Jakes has a message of Good News and hope for these women. He tells them that God has a plan for each of them, that each is holy in the arms of her Lord. His book delves deeply into the three most important relationships in a woman's life: with

herself, with her man, and with God. Jakes gives clear direction that enables and empowers women to be restored in all of their relationships without any residual side effects from the past. He redirects the expectations characteristic of failed relationships by discussing the many things women often desire from their mate that can only be fulfilled by God. This book is written for women who desire to reach their goals, maximize their God-given potential, and still have someone with whom to share them. Accessible, sensitive, practical, inspirational--the amazing T. D. Jakes has written a book that women have been praying for, with a powerful

message of hope and transformation.

Editorial Review

Amazon.com Review

T.D. Jakes's insights and expressions are balm for every woman's soul. As he explains so compassionately, we have lost sight of "the lady," and it is a loss that continues to buffet women and misdirect men. Jakes eschews condemnation and exposes the lies that have cloaked women in sorrow, helping women to stand in the beauty, strength, and confidence God intended.

Bishop Jakes, church founder, pastor, and author of numerous books, including the bestselling *Woman, Thou Art Loosed!*, structures this book in three parts. In the first, he gently takes the hand of every woman who has been ill-used, crippled in the innermost being, and shows her what is truly beautiful about the feminine. In part two, he opens the door for communication between husband and wife, lover and friend. Part three brings alive the passion of the Lord for women, this most exquisite of His creations.

Much has been lost. Weep with Bishop Jakes over the pain to which women have succumbed. But loss is not forever. In fact, any woman reading this book will likely feel something emerge within her, something long forgotten but something that rings of truth. --Ann Weinheimer

From Publishers Weekly

A popular Christian preacher, Jakes has produced many books (e.g., *Woman, Thou Art Loosed!*), videos and audio tapes that are gaining ever-increasing mainstream attention. Here, he demonstrates an unusual ability to inspire, uplift, teach and comfort. An eloquent wordsmith, this African-American minister writes with an abundance of memorable metaphors and yet speaks to women's hearts in practical, often humorous terms, about "three relationships that must be balanced in order to achieve some semblance of fulfillment"?with their husbands, God and themselves. Rather than suggesting that women be selfless and restricted to hearth and home, Jakes directs them toward healthy self-love, success and creative expression, to become and be treated as "women of excellence." Jakes maintains an intimate bond with readers to the last page, through deeply personal stories: his helplessness in the face of his wife's grief over the death of her mother; the joy and hope he feels at the sound of his little girl's footsteps; the memory of his own mother, "a gentle woman with the strength to build a home and the power to create a family." Despite his book's romance-novel title and strong Christian slant, this masterful preacher offers all women sound advice and gentle, respectful encouragement. Author tour.

From Library Journal

Jakes is a pastor who hosts a weekly television program that airs in the United States, Europe, and South Africa. He speaks a powerful message to women who have lost faith in themselves and seek salvation primarily in their relationships with men. To enjoy healthy relationships, women must first know themselves and value their own gifts and strengths, which they can do by putting God before all other relationships, according to Jakes. The contemporary woman has learned to juggle so many roles that she has, of necessity, become a fierce survivor who is too busy to nurture herself. The woman who has suffered abuse or neglect can also learn to love herself with God's healing so that she can break free of the cycle that keeps her in destructive relationships. Jakes explores the vulnerability and expectations of men, pointing out ways men and women can appreciate each other's strengths by understanding their differences. Although Jakes makes a generous allowance, perhaps short of justification, for marital infidelity on the part of men, his intention is to encourage Christian women in general.
