

# The Oxford Handbook of Atheism (Oxford Handbooks)

By Stephen Bullivant, Michael Ruse

**The Oxford Handbook of Atheism (Oxford Handbooks)** By Stephen Bullivant, Michael Ruse

Recent books by, among others, Sam Harris, Richard Dawkins, and Christopher Hitchens have thrust atheism firmly into the popular, media, and academic spotlight. This so-called New Atheism is arguably the most striking development in western socio-religious culture of the past decade or more. As such, it has spurred fertile (and often heated) discussions both within, and between, a diverse range of disciplines. Yet atheism, and the New Atheism, are by no means co-extensive. Interesting though it indeed is, the New Atheism is a single, historically and culturally specific manifestation of positive atheism (the that there is/are no God/s), which is itself but one form of a far deeper, broader, and more significant global phenomenon.

*The Oxford Handbook of Atheism* is a pioneering edited volume, exploring atheism - understood in the broad sense of "an absence of belief in the existence of a God or gods" - in all the richness and diversity of its historical and contemporary expressions. Bringing together an international team of established and emerging scholars, it probes the varied manifestations and implications of unbelief from an array of disciplinary perspectives (philosophy, history, sociology, anthropology, demography, psychology, natural sciences, gender and sexuality studies, literary criticism, film studies, musicology) and in a range of global contexts (Western Europe, North America, post-communist Europe, the Islamic world, Japan, India). Both surveying and synthesizing previous work, and presenting the major fruits of innovative recent research, the handbook is set to be a landmark text for the study of atheism.

## **Editorial Review**

### Review

"Bullivant and Ruse are to be commended for accomplishing a truly interdisciplinary and comprehensive review of the literatures on atheism, and for assembling a cast of important scholars across varied fields. *The Handbook of Atheism* is a monumental work...[and] an essential resource. No library should be without it."--*Journal for the Scientific Study of Religion*

## **Users Review**

### From reader reviews:

#### **David Martin:**

Spent a free time to be fun activity to do! A lot of people spent their free time with their family, or their very own friends. Usually they performing activity like watching television, about to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you want to something different to fill your free time/ holiday? Can be reading a book might be option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to try out look for book, may be the publication untitled The Oxford Handbook of Atheism (Oxford Handbooks) can be great book to read. May be it can be best activity to you.

#### **Blair Chappell:**

Often the book The Oxford Handbook of Atheism (Oxford Handbooks) has a lot details on it. So when you read this book you can get a lot of help. The book was authored by the very famous author. This articles author makes some research before write this book. That book very easy to read you will get the point easily after reading this article book.

#### **Eduardo Ford:**

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or even

make summary for some book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Oxford Handbook of Atheism (Oxford Handbooks) can make you feel more interested to read.

**Becky Duncan:**

What is your hobby? Have you heard which question when you got pupils? We believe that that problem was given by teacher to the students. Many kinds of hobby, All people has different hobby. And also you know that little person including reading or as studying become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You will find good news or update with regards to something by book. Amount types of books that can you go onto be your object. One of them are these claims The Oxford Handbook of Atheism (Oxford Handbooks).
