The Stingray Shuffle (Serge Storms series Book 5) By Tim Dorsey

When serial-killing local Florida historian Serge A. Storms is off his meds, no one is safe -- not Russian hoods, Jamaican mobsters, spoiled frat boys, women's book clubs, drug dealers, bad Vegas-rejected local lounge acts -- especially when \$5 million in cash in a bugged suitcase is still racing up and down the Eastern Seaboard. But in the oddball circus known as the Sunshine State, little things like astronomical body counts tend to get lost in the shuffle.

Editorial Review

From Publishers Weekly

In the frenetic tradition of the film *It's a Mad, Mad, Mad, Mad World* (1963), train buff and maniacal killer Serge A. Storms and his druggie pal, Lenny, chase a briefcase containing \$5 million, which surfaced in *Florida Roadkill* (1999), in Dorsey's fifth over-the-top crime novel. Others trailing it include Russian hoodlums posing as Latinos, in the employ of the incompetent head of the world's only bankrupt drug cartel. The discombobulated mobsters end up on the NY-Miami supertrain, the *Stingray Shuffle*. The briefcase eventually lands in deserving hands—but will it remain there? The hurtling plot often gets sidetracked by Dorsey's self-indulgent set pieces and history lessons, leaving the reader out of breath, rather than breathless. Lenny says, "All my friends up north keep asking me, does the freak show ever take a break down there?" Not in Dorsey's Florida.

From [Booklist](#)

In his latest bizarre concoction, Dorsey picks up--sort of--various plot strands from his earlier books, including *Florida Roadkill* (1999), *Hammerhead Ranch Motel* (2000), and *Orange Crush* (2001). There's still the matter, you see, of the briefcase full of cash, and still unresolved are the stories of Serge Storms, the serial killer and history buff; Johnny Vegas, the startlingly handsome virgin; Jethro Maddox, the Hemingway look-alike; and Paul, the Passive-Aggressive Private Eye. Fans of Dorsey's magnificently off-kilter adventures will be thrilled to rejoin these characters and to meet a host of new ones, including Mr. Granda, the leader of a down-and-out drug cartel who is looking to buy a submarine, and Ralph Krunkleton, one of America's very worst novelists, whose novel *The Stingray Shuffle* features prominently in the goings-on. A brilliantly constructed romp that is part thriller, part farce, and entirely, gloriously, deliriously wacky. *David Pitt*

Paul Smith:

People live in this new time of lifestyle always try and and must have the time or they will get large amount of stress from both day to day life and work. So , whenever we ask do people have time, we will say absolutely indeed. People is human not a robot. Then we consult again, what kind of activity have you got when the spare time coming to an individual of course your answer will probably unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, often the book you have read is definitely The Stingray Shuffle (Serge Storms series Book 5).

Michael Jones:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Stingray Shuffle (Serge Storms series Book 5) can make you feel more interested to read.
